

### HARDWORKING HERO: JOB 611

**Heavy Lifter.** With a whopping 1/2 ton capacity bed that's nearly six feet (179 cm) long, the Carryall 700 will win your fleet's Iron Man contest hands down. And, with best-in-class ground clearance and turning radius, it navigates rough terrain and tight spaces with ease.

### HARDWORKING HERO: JOB 301

**Keep on haulin'.** Whether you're planning the day's work or working the day's plan, the Carryall 700 is ready for whatever's on your to-do list. With a strapping 3/4 ton total vehicle capacity and a bed that's nearly six feet (179 cm) long, the vehicle hauls. It delivers truck-like performance, comfort and power at utility vehicle pricing.

CARRYALL 7000

## VERSATILITY & RELIABILITY

**Payload.** Total vehicle capacity of 1,500 lb. (680.3 kg).

**Best-in-class EFI powertrain:** The vehicle's 14-hp rated Subaru overhead cam engine with electronic fuel injection improves fuel efficiency as much as 50 percent. It also has a filter-less oil system, an optional limited slip differential for improved traction, and a side fuel tank. Beat that!

**Improved charging.** The industry's only standard on-board high-efficiency charger with cord retractor. This new system operates on voltages around the globe, and tolerates voltage swings that would shut down lesser chargers.

**More durable than steel.** Carryalls are built on Club Car's exclusive lightweight, rustproof, air-craft-grade aluminum frame that's designed to be stronger than steel. Unlike competitive steel frames, it resists corrosion and retains resale value.

**Fit-to-task utility.** A one-of-a-kind bed box with an integrated track-based attachment system, optional tool holders, bed dividers and cargo tie downs increases versatility and saves floor space. So you can do more with less.

**Improved ergonomics.** Cockpit style interiors with restyled hip restraints make the vehicles easier to enter and exit. And an ergonomic dash puts the key switch, shifter and gauges at the driver's fingertips.

**The best warranty in the industry.** The industry's longest standard battery, powertrain and bumper to bumper warranty.

CATEGORY	ELECTRIC	GASOLINE
<b>Engine/Motor Type</b>	48V DC	Subaru, 4-cycle
<b>Controller</b>	500 Amp - Solid State	
<b>Displacement</b>		404 cc
